

Printable Measuring Tape to help YOU order YOUR correct size more easily!

- Print at 100% on a 8 ½" x 11" size paper. Do NOT scale or fit document to page, to best ensure accuracy
- Cut each strip of measuring tape, including the GLUE/TAPE section
- Use GLUE/TAPE to attach the measuring tape strips together & place the GLUE/TAPE section beneath the following strip

Please note that if this document is not printed correctly, your measurements will not be accurate. A great way to double check the accuracy is to use a ruler to confirm that it has been printed off correctly.
